as we develop leaders who are building effective, successful communities.

Mission Statement

As a volunteer association, TACL wants to build, support, and enhance community leadership development in each county across the state.

Goals

- ◆ To provide quality leadership throughout Tennessee.
- ◆ To provide professional support and opportunities to expand knowledge and skills.
- ◆ To provide support to develop community leadership programs in areas where none exist.
- ◆ To provide an opportunity for diverse people to share ideas and learn from one another.
